

The background of the entire page is a light gray with a subtle pattern of 3D cubes and circles in blue, orange, and gray. The cubes are scattered across the page, some appearing to float. The circles are also scattered, with some being solid and others being outlines.

COMPANY PROFILE

TRADE **MODE**
t r i m m i n g

(We are for quality works, best price & best service for garments accessories world)

About Us

Trade Mode trimming is established in the year of 1999 with a view to provide garments accessories to the export oriented industries. It is a small enterprise, yet the facilities are well equipped with state of the art machineries and are backed up by a trained and dedicated work force. **Trade Mode trimming** is producing various types of garments accessories with the international standard. Demand for our goods in the garments sector is increasing by the year. Which shows our untiring efforts to be better in the market and trust worthiness to our valued buyers. We are in constant move to increase our production capacity to met our valued buyers ever growing demand.

Why Choose Trade Mode trimming ?

- Maintaining the highest achievable quality possible.
- The most competitive pricing in the world market.
- Shortest lead-time with on time delivery.
- The best environment for ethical standard in accordance with world compliance standards.
- Understanding and meeting total customer satisfaction.
- Quality is always considered as the supreme priority.
- Problem identification from the root level and take corrective action.
- Obtaining results of process efficiency and effectiveness.
